Virtual Visits

The Care you need- when you need it!

When you don't feel well, or your child is sick, the last thing you want to do is leave the comfort of home to sit in a waiting room. Now you don't have to.

Virtual Visits let you see and talk to a doctor from your mobile device or computer without an appointment. Most visits take about 10-15 minutes and doctors can write a prescription, if needed, that you can pick up at your local pharmacy. This service is part of your health benefits offered through United Healthcare.

Costs

- United Healthcare HSA PPO: \$50
- United Healthcare PPO: \$15

Prescription Drugs

Retail Pharmacy

Use a retail pharmacy to fill prescriptions for acute conditions (conditions that do not require the medication to be taken on a regular basis). At a participating pharmacy, you will receive up to a 30-day supply of your prescriptions.

Mail Order Pharmacy – Maintenance Medication

You could pay less for the same medication when you use the mail order pharmacy.

The mail order pharmacy is a fast, easy and convenient way to save time and money on your maintenance medications (drugs that you need to take regularly). You can order additional supplies of medication at a discount. See below for details!

PHARMACY TIPS

Use generic and over the counter drugs when available The best way to save on prescriptions is to use generic or over the counter medications as opposed to brand name drugs. Generic drugs must use the same active ingredients as the brand name version of the drug. A generic drug must also meet the same quality and safety standards.

Use the mail order benefit for maintenance medications To save money and time, consider using the mail order pharmacy to fill your maintenance medications.

Health Savings Account

What is an HSA?

Health Savings Accounts (HSA) are a tax-advantaged medical savings account available to those who enroll in the Consumer Driven Health Plan (CHDHP). The funds you invest are not subject to most taxes. The growth of the invested amount is not taxed and when the funds are distributed, no tax penalties are incurred when applied to qualifying expenses. The funds you contribute to your HSA are yours to keep and can be used not only for medical expenses, but for retirement expenses as well. Flores will be the new HSA administrator effective 1/1/2023. Visit www.myvincibrandsbenefits.com for more information! Administered by Flores!

Great Benefits For You

Convenience - Paying for expenses from your HSA is as easy as using a debit card.

Choice - Pay for qualified expenses from your HSA or save your HSA money and pay out-of-pocket.

Control - You decide how the money is spent and you have the freedom to keep it if you change jobs or retire.

Triple-Tax Savings

Tax-Free Deposits - Even if you don't itemize deductions, you don't pay federal income tax on contributions.

Tax-Free Savings - You keep any money you don't spend and it grows tax-free. No use-it-or-lose-it.

Tax-Free Withdrawals - There's never tax on withdrawals to pay for qualified expenses.

Flexible Spending Account

What is an FSA?

Flexible Spending Accounts | Administered by Flores!

(FSA) provide you with an important tax advantage that can help you pay health care expenses on a pretax basis. By anticipating your family's health care and dependent care costs, you can actually lower your taxable income and that means you get to keep more of what you earn. Flores will be the new HSA administrator effective 1/1/2023. Visit www.myvincibrandsbenefits.com for more information!

There are two types of FSA's that allow you to make deductions to pay for qualified medical expenses. The **Health Care FSA** allows any qualified medical expense and can be elected if you are enrolled in the PPO or HMO options. The max annual election is \$3,050.

The **Dependent Care FSA** is used to pay for eligible expenses you incur for childcare, or for the care of a disabled dependent, while you work. Employee's may defer up to \$5,000 pre-tax per year. Eligible expenses include Licensed nursery schools, qualified childcare centers, after school programs, summer camps (under age 13) preschool and adult daycare facilities.

The amount you elect is available to you at the beginning of the plan year, regardless of how much you have contributed via payroll deduction.

Can my election be changed during the year?

After you enroll, you can't change the amount you contribute for the year, because your election stays in effect during the entire plan year (January 1 through December 31). However, if you have a "Qualified Life Event" you may change the amount of your contribution, but the change must be consistent with the event.

The following "Qualified Life Events" may permit you to change your FSA election outside of open enrollment: a change in your legal marital status; a change in the number of tax dependents; termination or commencement of employment by you, your spouse or dependent; a change in employment status that results in gaining or losing eligibility for health coverage; and Medicare or Medicaid entitlement for you, your spouse or dependent.

DENTAL

2023 Plan Options:

United Concordia | PPO Plan

This plan offers you the freedom and flexibility to use the dentist of your choice. However, you will maximize your benefits and reduce your out-of-pocket costs if you choose a dentist who participates in the United Concordia network. When you utilize a network dentist, your out-of-pocket expenses will be less, however, you will usually pay the lowest amount for services when you visit a PPO dentist. If you obtain services using a non-network dentist, you will be responsible for the difference between the covered amount and the actual charges and you may be responsible for filing claims. The chart below provides a high-level overview of your dental plan.

Finding a dental provider Go to www.unitedconcordia.com

PPO: Refer to the “Elite Plus” Network

If you receive services from an out-of-network doctor, you will pay all costs at the time of service and submit a claim for reimbursement.

IRS Code Section 125

The Vinci Brands employee benefit plans are designed under Section 125 of the IRS Code. This allows you to take advantage of federal laws by purchasing some of your benefits with pre-tax dollars. Under Section 125, your Medical, Dental, Vision, and Flexible Spending Account contributions are deducted before taxes are withheld which saves you tax dollars. Paying for benefits before-tax means that your share of the costs are deducted before taxes are determined, resulting in more take-home pay for you. As a result, the IRS requires that your elections remain in effect for the entire year. You cannot drop or change coverage unless you experience a qualifying event. You may waive participation in the Section 125 Plan and elect to pay all contributions with after-tax dollars. Contact the Human Resources Department if you wish to pay for your benefits with after-tax dollars.

LIFE AD&D

It's never fun to discuss life insurance. But you probably know that life insurance is something that you need to protect your loved ones in the event of your death. Things like funeral expenses, debt, and the cost of living, can all add up. Fortunately, life insurance can help lessen the financial burden and provide coverage to help pay for these types of expenses.

United Healthcare | Voluntary Life and AD&D

In addition to the company provided Basic Life and AD&D benefits, you may elect to purchase additional Term Life and AD&D insurance at discounted group rates provided by United Healthcare. You pay for this coverage with after-tax dollars through convenient payroll deductions.

Employee You may purchase coverage for yourself in increments of \$10,000 up to a maximum benefit of \$500,000, not to exceed 5 X your annual salary.

Spouse or Domestic Partner If you buy coverage for yourself, you may also purchase coverage for your eligible spouse or domestic partner. Benefits for your spouse or domestic partner are available in increments of \$5,000 up to a maximum benefit of \$250,000, not to exceed 50% of your employee election.

Child(ren) If you buy coverage for yourself, you may also purchase coverage for your eligible dependent child(ren). Benefits for your child(ren) (ages 15 days to 26 years) are available in the amount of \$5,000 or \$10,000.

Guarantee Issue

Guarantee issue is a pre-approved amount of coverage that does not require you to provide proof of good health and is available to you during your initial eligibility period (upon hire). Guarantee issue is available in the following amounts:

- **Employee:** \$100,000
- **Spouse or Domestic Partner:** \$25,000
- **Child(ren):** Entire benefit amount (\$10,000)

Currently enrolled members may increase by one increment, not to exceed the GI, without EOI. Increments for employees is \$10K and increments for spouse is \$5K. Any request to increase more than that, or above GI requires EOI. Anyone that did not enroll timely, and wishes to now enroll, must complete EOI, regardless of amount elected. Anyone enrolling on the disability that did not enroll timely, must also complete an EOI form.

Choosing a Beneficiary

A beneficiary is a person or entity who you designate to receive your death benefits. Choosing a beneficiary and keeping your beneficiary up-to-date is an essential part of owning life insurance. Please remember to review your beneficiary designation as new situations arise, such as the birth or adoption of a child, marriage, or divorce. You may login to ADP Workforce Now to change your Beneficiary as needed.

If you are unable to work due to an illness or injury, our disability plans will work together to provide a source of income to meet your needs. Disability insurance provides benefits that replace part of your lost income when you become unable to work due to a covered injury or illness.
